Heartstart

Class 2 have been working with Mrs Watkins on The Heartstart UK Schools Programme. Heartstart UK is an initiative coordinated by the British Heart Foundation to teach members of the public what to do in an emergency. Mrs Watkins showed the children skills that can help someone until professional help arrives. The sessions covered: how to demonstrate safe approach and assessment; make a 999/112 call; open an airway check for breathing and put someone in the recovery position.

Preparation For The Debating Competition

On Friday 7 October Sorrel, Alfie and Jesse B accompanied me to De Koffe Pot, along with pupils from nine other schools. We were greeted by students from Whitecross High School who explained the format of the debating competition. We all met Jesse Norman who spoke about debating in The Houses of Parliament and how to prepare for a debate. The children asked some excellent and well thought out questions, already showing a higher level of thinking, and were a credit to the school. The debate on 27 November is the removal of school uniform!
