#### Class 3 Optional Projects in Half Term

Well done to all of those who chose to create 'A Space in A Box' over half term. Miss Cook and Mrs Craske have been overwhelmed at the imagination, individuality and creativity you have all shown. They are so out of this world that Class 3 would like to invite you into the classroom to see them on Monday 14 November after school.

#### PTA Meeting

The next meeting is Wednesday 16 November at 3.15pm to discuss Christmas Fayre. If you would like to see the agenda for the meeting please see Louise, Emma or Jodie.

#### Missing School Jumpers

Please could you check your child has the correct school jumper as Finley in Year 2 has several jumpers missing which are named. Thank you.

#### Eco Squad Request - 13 & 14 December

The Eco-squad are planning to make Christmas Decorations out of recycled materials. Could you kindly bring in items such as toilet roll, bottle tops (plastic and metal), wine corks, old cd's, small glass jars and anything else you think could be suitable on Tuesday 13 December. Many thanks Mrs Craske.
