Year 5 London Residential Trip

Wednesday - Finally, the day had come! BLEEP BLEEP BLEEP went my alarm. Today was unlike any other day, it was the day of our London Residential Trip. It was 6:30am and I was singing as I got dressed. As we arrived at Lord Scudamore I was jumping up and down because today we were going to Harry Potter World! (and I am a big fan!) We finally arrived and I gasped as we saw the pictures on the outside. The characters included Harry, Hermione, Molly and Arthur Weasley, Ron, and Mad Eye Moody. I was in Harry Potter heaven. – Molly

On *Thursday* 9th March 2017 we went to The Tower of London, The London Eye, a boat cruise on the Thames and to the Matilda Show. It was so fun (every single little bit!) In The Tower of London we saw a trained raven, he was hilarious. We saw crown jewels, swords and many outfits. - Tibby

Friday - My favourite part of the trip was The Natural History Museum. The dinosaur exhibit was the best part of it all! Hanging over the ceiling was an Albertosaurus (a vicious ambush attacker of the Cretaceous period). It was a smaller cousin of the famous Tyrannosaurus Rex. There was a gigantic Triceratops and an itsy bitsy little baby Triceratops. Although the whole trip was great, the museum was the best because I love dinosaurs and there were so many! - Josh
