Road Safety Officer

On Wednesday afternoon, we had a very lovely lady called Julie come in and talk to Class 4 about traveling to and from High School safely. She taught us how to keep safe when walking across the road, how to avoid dangerous hazards, and how to ride our bikes correctly. Julie gave us interesting advice including the green cross code also about how to be a good passenger. We are very thankful that she came to our school to enrich our knowledge about Road Safety.

Year 1 Forest School

Year 1 will be attending Forest School week commencing Monday 8 May 2017.

Good News For The Community Parish Defibrillator

The Parish Council is pleased to announce that the defibrillator is now in place outside Canon Pyon Parish Hall, by the main entrance. A special thank-you to Chris Cole Electrical Ltd for installing the defibrillator box. The defibrillator will be regularly inspected by volunteers from the Parish Council.

Local volunteers attended the Community Heartstart Herefordshire course to complement the new defibrillator. This highly recommended course is for two-hours, where you will learn how to recognise the warning signs of a heart attack, dealing with choking, serious bleeding and how to perform CPR. For further course information view the website - <http://herefordshireheartstart.org/> or email info@herefordshireheartstart.co.uk Tel: 0845 6060 654.

Defibrillator at Westhope Church

Don't forget that there is also another defibrillator inside the porch at Westhope Church, together with contact details for the people who have been trained to use it.

Sainsbury's Vouchers

Please could you send all vouchers into the school office as soon as possible, as our deadline is 1 June 2017. Thank you.

Class 1 Request - Donations of cardboard rolls (not toilet) ie, kitchen, foil etc.
