Year 1 Forest School With Mrs Watkins & Mrs Craske

We have had an extremely busy time in Forest School with Year 1. The children have learnt to use penknives safely to whittle hazel sticks. A great respect was shown by all the children whilst using the penknives. The children were taught to tie granny knots and used the skill to tie 'willy worms' onto sticks. We all went on a walk collecting objects on our way to create our own unique story sticks which we shared around the fire circle. We've also had a fire where we toasted muffins, built den's, mud play and we had some Pirate visitors who we made walk the plank and then squirted them with water!

Award Ceremony—Wednesday 19 July 2017 6pm

We are planning our Annual Award Ceremony which will be held at school on Wednesday 19 July starting at 6pm, weather permitting! This is the culmination of our school year and a perfect way to celebrate everything the children have achieved - we hope you can all join us.

Cargill Meats Europe Community Project

Nigel Matthews brought along with him yesterday apprentices Dan Rogers, Connor Mastin and Marcus Borrmann. They all worked extremely hard during the very hot weather we are experiencing and completed a number of tasks for the school which included a Remembrance Poppy Garden, outside class 2. The jobs they carried out have, without exception, all been to a very high standard and the school looks much better for it. The apprentices were all totally professional during their time with us and fully engaged with the children during their break times.
